

TRUSTEES' MEETING

PROTEST IS MADE AGAINST TELEPHONE TOLL CHARGE TO LOS ANGELES

The Board of Trustees met in regular session at the City Hall at 8:15 p. m. November 22, 1917. All members present at roll call.

The minutes of the last regular meeting were read and a correction ordered to be made on Page 127, adding to the instructions given the City Attorney, the following, "and in the meantime, the City Attorney was authorized to take such other course as he may find proper and necessary against anyone violating the liquor ordinance during the pendency of this appeal." With this correction the minutes were approved.

On motion of Trustee Muhleman, it was ordered that the bids for furnishing transformers for the Public Service Department, be opened, read and publicly declared. Bids were opened, read and upon motion of Trustee Grist, were referred to the Manager of the Public Service Department.

A communication was read from Miss Winifred F. Marr, protesting against Resolution No. 971, declaring intention to close up and vacate certain streets, avenues, drives, places and alleys in the City of Glendale, claiming the insufficiency of the descriptions contained therein. On motion, the communication was referred to the City Attorney and the City Engineer.

Applications to sell milk, were received from L. Mintner, Mr. and Mrs. J. F. McClish and J. P. Dykzenl, which were read and upon motion of Trustee Grist, were granted.

The weekly report of the Tax Collector was received and ordered to be filed.

The following demands were presented, and on motion, referred to the Finance Committee.

Messrs. Cowan, Usilton and Bentley appeared before the board as a committee from the Chamber of Commerce, Mr. Cowan presenting a number of subjects for the consideration of the board, particularly the desire of the Ladies Committee of the Red Cross at Glendale to be represented at the coming Tournament of Roses in Pasadena; a protest against any increase in telephone rates in this section, and the desire of the Chamber that the matter of the establishment of a municipal gas system may be put through as rapidly as possible. In reference to the latter subject, the Chairman of the Board stated that the report of the Manager of the Public Service Department and the expert employed by the city, will be ready in a few days.

The Chairman also stated that letters had been sent out to a number of Glendale citizens requesting that they act as a committee to secure from citizens, financial support in carrying out a campaign for funds to provide a recreation fund for the benefit of our soldiers employed outside of the training camps; this not being provided for by either the Y.M.C.A. or the Knights of Columbus, or, in fact, by any organization. He stated that he would call a meeting of this committee early in the coming week.

The City Manager presented the annual report of the Public Service Department, Public Welfare Department and the Public Works Department. On motion, the Clerk was instructed to advertise for bids for printing 500 copies of this report.

Trustee Jackson offered a resolution, which was ordered to be read, and upon being read, was adopted.

The City Manager reported that that portion of Third street between Brand boulevard and Central avenue, will soon be improved by the Street Department under an agreement that the property owners furnish the oil, and that progress is being made, looking toward a similar arrangement for the improvement of Ninth street between Brand boulevard and Central avenue.

The manager of the Public Service Department presented a report of the action of the State Railroad Commission before Commissioner Gordon on the application made by the San Fernando Valley Home Telephone & Telegraph Company. It developed in the course of the hearing, that it is the intention of the Pacific Telephone and Telegraph Company, in the event that the merger is authorized, to institute a toll charge between Glendale and Los Angeles of 10 cents for three minute conversation. He stated that he had entered an appearance for the City of Glendale, and had stated to the Commission that this city has no objection to the merger; providing that rates are not to be raised, and he suggested that the city take the attitude that the question of the merger had nothing whatever to do with the collection of toll charges, which is not a proper one to be brought up in this connection. On

MERRITT AND O'BRIEN

FEDERAL FOOD ADMINISTRATION REPRESENTATIVES AT PRESS MEETING

Ralph P. Merritt, Federal Food Administrator for California, and Frederick O'Brien, Director of Public Information for the Food Administration, will speak on food conservation at a meeting of the editors of the daily papers of Southern California at the Orange County Country Club, Saturday evening.

Merritt and O'Brien say that the message of food saving can be borne to the homes of the country only through the newspapers and that upon the newspapers of California will largely rest the success or failure of the effort of Uncle Sam to feed his armies abroad and his allies with the surplus saved by economy at the American table. Merritt and O'Brien will come from San Francisco where their headquarters are, for this meeting.

The Frederick O'Brien mentioned above is a resident of Glendale, his home being at 785 Pacific avenue.

HAIG CHANGES POINT OF ATTACK

BRITISH FIELD MARSHAL TRAINS HIS BATTERING RAM ON GERMAN LINE IN YPRES SECTOR

(Special Service to Glendale Evening News)

LONDON, November 23.—Field Marshal Haig switched his battering ram to the Ypres sector last night and reported that his troops advanced the line slightly southeast of Ypres. Southwest of Cambrai he said the situation is unchanged. The Germans have begun stripping Cambrai of its military stores, while the British and German armies are locked in a fierce grapple at the city's gates.

The real strength of the heavy German reinforcements is being felt by the British but they have consolidated their lines and are holding all positions.

Cambrai is finished as far as being a German communication and supply base, even if the British never enter the city. They are now within three miles of it, where their shells can devastate and make it untenable.

SENSATION EXPECTED IN SEATTLE

GEN. GREEN INTIMATES THAT WEIGHTIER MATTERS THAN VICE CONDITIONS INFLUENCE QUARANTINE

(Special Service to Glendale Evening News)

CAMP LEWIS, Washington, November 23.—Another sensation more startling than the quarantine of Seattle by General Green is expected today as a result of a hint thrown out by the General in a letter to Seattle officials. He said: "It is a fact that I am considering evidence of existing vice conditions in Seattle, but interwoven with this is evidence of other and more important matters. I am not yet ready to lay all my cards on Seattle's table and when I do lay them down it will not be on Seattle's table, but on the Federal table, where the big game is being played." It is believed General Green refers to pro-German activities.

U. S. WILL TURN DOWN RUSSIAN OVERTURES

GOVERNMENT WILL LIKELY MAKE SHARP RETORT TO SUGGESTIONS FOR AN ARMISTICE

(Special Service to Glendale Evening News)

WASHINGTON, November 23.—Bolsheviki overtures for an armistice of all belligerents will go unheeded by the United States, it was stated in official circles today. The government will likely make a sharp retort in an effort to inspire loyal Russians with disgust toward the ultra-radicals.

RUSSIA DEMOBILIZES ARMY

BOLSHEVIKI "GOVERNMENT" CARRYING OUT PLAN TO CEASE FIGHTING UNDER ARMISTICE

(Special Service to Glendale Evening News)

LONDON, November 23.—Apparently carrying out plans to cease all fighting under an armistice with the Central powers the Bolsheviki "government" in Russia today announced the demobilization of the 1899 class of the army. Other classes will be similarly demobilized.

FRENCH REPULSE GERMAN COUNTERS

PARIS WAR OFFICE REPORTS VARIOUS ENEMY ASSAULTS ON FRENCH POSITIONS UNSUCCESSFUL

(Special Service to Glendale Evening News)

PARIS, November 23.—German counter attacks against newly won French positions on the eastern Chemin des Dames were all repulsed, the war office announced today. Artillery duels are raging at Cerny-Juvencourt, on the Meuse and around Rheims.

SUBMARINE MENACE DECREASES

GOVERNMENT RECOGNIZES WANE OF U-BOATS' EFFICIENCY BY DECREASING INSURANCE RATES

(Special Service to Glendale Evening News)

WASHINGTON, November 23.—Reflecting the submarine's decreasing effect, the government war risk insurance bureau has reduced the rate on American steamers and cargoes traversing the war zone from 5 to 4 per cent.

THERE WILL BE NO RAILROAD STRIKE

(Special Service to Glendale Evening News)

WASHINGTON, November 23.—There will be no nation-wide railroad strike during the war. This guarantee and compensatory promise to the employees that their wage demands, if not excessive, would be met, was the result of a conference between the brotherhoods and officials today.

CENTRAL POWERS OFFER PEACE TO RUSSIA

(Special Service to Glendale Evening News)

STOCKHOLM, November 23.—A Russian diplomat bearing peace offers to Russia from the Central powers left here today on a special train for Petrograd.

CHAMBER COMMERCE

PLAN TO HAVE GLENDALE REPRESENTED AT PASADENA TOURNAMENT

A specially called meeting of the Glendale Chamber of Commerce was held in the Chamber of Commerce rooms, 1010 West Broadway, Thursday evening.

The meeting was called to order by A. T. Cowan, president. In the absence of the secretary, on motion, George H. Bentley was chosen secretary pro-tem.

The question of having Glendale represented at the Tournament of Roses in Pasadena, January 1, was taken up for discussion. On account of this year's tournament being one that will be conducted as the benefit for the American Red Cross it was decided to leave the matter of designing and preparing a Glendale float in the hands of persons who are actively engaged in Red Cross work.

On motion, the chair appointed as members of this committee Mrs. H. S. Duffield, Mrs. E. M. Tufts, Mrs. Mabel Franklin Ocker, Roy L. Kent, and C. W. McFadden. The Chamber of Commerce signified a willingness to give financial assistance to the committee whose duty it is to design and oversee the preparation of a suitable float.

On motion, the following resolutions were adopted by the Chamber:

Municipal Gas

Whereas, the Railroad Commission in a recent gas rate adjustment raised the cost to the consumers in the City of Glendale from 69 to 80 cents, therefore, be it,

Resolved, that the Chamber of Commerce of the City of Glendale, request the City Trustees to take the necessary steps for municipal ownership of a gas plant.

Pointing with pride to the successful management of our municipally-owned electric and water plants, we believe that the same success would reward their efforts in the ownership of gas.

Oppose Toll Charges

Whereas, in the matter of application of the San Fernando Valley Home Telephone company to transfer its property in Glendale to the Pacific Telephone and Telegraph company pending before the Railroad Commission, it appears from the statement of the manager of the Public Service Department and the City Attorney that the matter of rates and efficiency of service is involved; and

Whereas, it appears to this organization that the matter of fixed rates to be charged the patrons of the company after transfer has been made, if made at all, is a matter which should be dealt with entirely independently of the matter of merging the two companies; and

Whereas, this organization wishes to register its objection to the merging of the two companies in the City of Glendale, in event such merging would effect an increase in rates in said City of Glendale;

Now, therefore be it resolved, that this organization requests the City Trustees have a representative before the Railroad Commission in connection with this application and make formal objection to any order being entered permitting the transfer as requested in their application, if after such transfer the rates are to be increased and also object to any increase being made in the rates or change in the manner of service without the City of Glendale having received due notice, with sufficient time to appear.

PROGRAM AT CERRITOS SCHOOL

An interesting program was given on Wednesday morning by pupils of the Fifth grade of the Cerritos Avenue school of which Miss Hazel Small is teacher. The program included the following numbers:

Salute to the flag by school.
Repeating of 23d Psalm.
Recitation, "Hard Luck," by Rose Jennings.
Vocal Solo, "Daddy's Sweetheart" by Geraldine Meagher.

Recitation, "Jack's Jam," by Berle Goodale.
Recitation, "God is Love," by Dorothy Dutton.

Recitation, "Don't Crowd," by Goldberg Danner.

Mrs. Thomas Meagher delighted the children with several readings in such a splendid way that all expressed a desire to hear this talented reader often.

OUR HEROES

Wafted o'er the waters,
Comes a sad refrain,
As taps are sounded over,
The bodies of our slain.
Privates Enright, Hay and Gresham,
From the scenes of war you're gone,
But to a hundred million people,
Your souls are marching on.

1617 Oak St., Glendale,
Nov. 12, 1917.

NEWELL F. REYNOLDS

CIVIL WAR VETERAN AND OLD RESIDENT OF GLENDALE DEAD

Mr. Newell F. Reynolds, another of our fine old Civil War veterans, departed from this life on Thursday, November 22d. His death came at the age of 84 at the home of his grand-nephew, Mr. W. H. Reynolds, 2000 Kenneth road. Mr. Newell Reynolds came to Glendale 26 years ago. He was born in 1883 in Benton, Pennsylvania and has lived in many places and states. He was married at Uniondale, Pa., in 1859 to Miss Diantha Dimmick, whose death came nine years ago in Glendale. He served throughout the Civil War, first with the 56th Pennsylvania, and later the 56th N. Y., in both of which divisions he was chief musician. He was wounded at the battle of the Wilderness where his boyhood chum and life-long comrade, William Surine, was killed by his side with a cannon ball. He was also in the battle of Gettysburg and in several other famous battles and had the additional honor of marching with Sherman to the sea. He leaves several nephews and nieces with their families in different parts of the east, and in Glendale is survived by his niece, Mrs. Julia Beers, 2000 Kenneth road, a nephew, Elbert Reynolds, 1447 Ivy street, and his grand nephew, W. H. Reynolds, with their families. His death was preceded by a long illness, two paralytic strokes having been suffered within the past year or so. The funeral services will be held on Saturday at 2 o'clock at the Jewel City Undertaking parlors and will be in charge of the G. A. R. Interment will be at Rosedale cemetery. Mr. Reynolds was representative of the finest type of our war heroes. He offered his life to his country, fought staunchly through terrible battles and unflinchingly through hardship and privation, bearing bravely through his long life the suffering consequent on the supreme sacrifice of his youth.

T. C. HEWITT IN GLENDALE

Mr. T. C. Hewitt of Grimsby, Ontario, arrived in Glendale on Saturday to be the guest of his son, Mr. W. E. Hewitt at his home, 728 North Louise street. Mr. Hewitt thinks he will prefer Southern California to Canada as a place of winter residence and will probably spend several months here. With his brother, John Hewitt, Mr. T. C. Hewitt was formerly the owner of the Miehle Printing Press Manufacturing company of Chicago.

CONSERVATION LUNCHEON

Mrs. Lawrence E. Ellis, who entertained Wednesday afternoon with a delightful luncheon at her home, 537 South Kenwood, very cleverly combined business with pleasure—one of the old fashioned ways of saying, "conservation." The table was charmingly arranged with pink carnations beautifully used as decorations. Covers were laid for twelve and artistic monogram place cards which had been done in pen and ink by the hostess herself, presented entertaining conundrums for the solution of each guest. After the delicious luncheon had been served, Red Cross knitting and sewing was the order of the afternoon, with the additional incentive of attractive and practical little prizes for those who succeeded in completing the most work. Mrs. Hunchberger was rewarded for her zealous knitting with a pair of most acceptable Japanese knitting needle sheaths as an aid to increased production, and Mrs. C. H. Temple won a very useful and pretty pair of Japanese scissors because of her earnest application in putting out the greatest possible amount of sewing during the afternoon. The guests present were: Mrs. J. G. Hunchberger, Mrs. A. W. Tower, Mrs. Walter Stamps, Mrs. McFadden, Mrs. W. L. Pierce, Mrs. Harry Goodwin, Mrs. Edward Lynch, Mrs. Emil Tholen, Mrs. A. L. Weaver, Mrs. Warren Roberts and Mrs. C. H. Temple.

TRUSTEES' MEETING

(Continued from Page One)
motion of Trustee Muhleman, the report was ordered to be received and filed, and the City Attorney and the Manager of the Public Service Department instructed to take any action necessary in an effort to prevent fixing of telephone rates at this time.

A resolution covering the subject was ordered to be read, and upon being read, was on motion of Trustee Muhleman adopted, as follows:

Whereas, in the matter of application of the San Fernando Valley Home Telephone Company to transfer its property in Glendale to the Pacific Telephone & Telegraph Company pending before the Railroad Commission, it appears from the statement of the manager of the Public Service Department and the City Attorney that the matter of rates and efficiency of service is involved; and

Whereas, it appears to this board that the matter of fixing rates to be charged the patrons of the company after the transfer has been made, if made at all, is a matter which should be dealt with entirely independently of the matter of merging the two companies; and

Whereas, this Board wishes to register its objection to the merging of the two companies in the City of Glendale, in event such merging would effect an increase in rates in said City of Glendale.

Now, therefore, be it resolved by this Board, that the City Attorney and Manager of the Public Service Department be instructed to appear before the Railroad Commission in connection with this application and make formal objections to any order being entered permitting the transfer as requested in said application, if after such transfer the rates are to be increased and also object to any increase being made in the rates or change in the manner of service, without the City of Glendale having received due notice, with sufficient time to appear and resist all such orders.

The Manager of the Public Service Department presented a written report on the action of the Railroad Commission on November 19th in regard to artificial and natural gas; the order of the commission modified the original decision so far as the City of Los Angeles is concerned, by including within the 68 cent zone, certain portions of Los Angeles not included in the first decision; on the other hand, Glendale and Tropicco are included in schedule No. 2 and given a rate which starts at 80 cents per thousand cubic feet. The result of this decision is that Glendale and Tropicco are given a higher rate than certain portions of Los Angeles, Hollywood, Bairdstown and other sections at a greater distance from the City of Los Angeles than are the cities of Glendale and Tropicco. On motion of Trustee Grist, the report was ordered to be received and ordered filed.

The Manager of the Public Service Department stated that in view of the result of the annexation election of the City of Tropicco he assumed that his department is justified in taking measures at once looking toward the taking over of other water systems.

In regard to the bids for transformers previously referred to him, he recommended the acceptance of the bid of the General Electric Company in the amount of \$8380.00, as being the lowest figure offered. On motion of Trustee Woodberry, the report of the Manager of the Public Service Department was ordered to be received and adopted, and the proper officials of the city authorized to sign the contract with the General Electric Company.

On motion of Trustee Muhleman, the hearing in regard to the assessment on Grand View avenue improvement, was ordered to be taken up at this time. The City Attorney stated that while it would be morally right for the city to pay a portion of the assessment complained of by Mrs.

Bayless; yet, there seems to be no way in the law provided by which this can be done. On motion of Trustee Grist, the matter was continued until the next regular meeting of the board for further investigation, and the clerk was instructed to give notice of this action to the protestant's attorney.

The matter of the municipal flag pole was brought to the attention of the board, and the following resolution offered by Trustee Muhleman, was adopted: "Supplementary to the action of last meeting approving of the placing of a municipal flag pole at the northeast corner of Brand boulevard and Broadway, Dr. Henry R. Harrower, is authorized to receive subscriptions toward the expense of the construction of said municipal flag pole."

BIRTH OF TROPICO

"Work will be begun in a few days by the Southern Pacific company on their new side track and depot building, but a horrible rumor prevails that this company will insist that this station shall bear a different name from Glendale."—Los Angeles Times, April 25, 1886.

The sixteen acres had been donated by Father Richardson and the Glendale people raised the \$2500 which built the depot.

This property known now as Tropicco and Glendale was then all Glendale you must remember.

"Their hearts and aims were one." They were one harmonious family. Ever ready to welcome each stranger as he began to set up his home on barren land. Coyotes and wild cats were plentiful to kill the dogs and chickens in those days and could be seen often in the day time. Then the skunk would slip in through even a knot hole in the temporary home and eat the butter and one could not say nay, or refrain from doing so. There was an abundance of squirrels and gophers to destroy what one planted.

"With all these troubles and many other deprivations, the Glendale people were a peaceful harmonious family, from the river to the mountains.

Well this horror, dread terror, this great impending evil did come and the depot which the Glendale people paid their good money for, was named—Tropicco. Gradually that part of Glendale took the name of Tropicco.

March 7, 1911, Tropicco was incorporated. Like the prodigal son she has returned. Like the prodigal son, there is nothing too good for her.

Today the friends, neighbors and just persons in both places are rejoicing together. One shepherd and one fold. If it was not a time to Hooverize we would bring hither the fatted calf and make merry together. Instead we will cooperate in civics for the betterment of the community at large. The property owners surely have much to be grateful for in this union with Glendale. The ones who have worked for this union had a due sense of the benefits to be gained.

Now in unity and strength of purpose and the spirit of cooperation will all work and get results. Glendale the City Beautiful. Goodbye Tropicco, I loved you, dear old town. I loved you always as Glendale and always shall love you and stand for your highest good and fight your battles.

MRS. ELLA W. RICHARDSON.

WANTS NO METEORIC FALL

The air service is popular, but an airman doesn't want exactly a meteoric career.—Omaha World-Herald.

SCARED OUT OF BREATH

Say, dad, what is the "wee small voice?"

That, my son, is the voice of the consumer.—St. Louis Star.

Right is the eternal sun, and the world cannot delay its coming.—Wendell Phillips.

One-tenth of the workmen in the United States belong to labor unions.

Two out of every three persons who die in this country have no estate to leave?

There are 263,315 girls employed in this country as stenographers and typewriters.

NOT A STRANGER, BUT A NEIGHBOR

When you get a piano if you can do a little better, buy at home. Just now you buy away down under the market and save a good chunk. For many reasons it pays to buy of some one responsible at home. Salyer can't afford to sell you trouble. He would have to live with it. He's so 'easy found. His guarantee must be good. If not he would have to get out and he can't get out. The Salyers have too much tied up in building and real estate in Glendale to leave. You could not drive them away. They are all crazy about Glendale and are your neighbors.

"HE'S SIMPLY GREAT"

That's what they all say of Francis Henry who so wonderfully impersonates Harry Lauder. Some say he is simply a "scream." It is your one opportunity of hearing him for the same price you pay for the picture alone at the Palace Grand theater tonight, where Billie Burke will be starred in "Arms and the Girl," under the auspices of the Yuletide committee.

Remember the entire net proceeds go to the Boys in Khaki for Christmas remembrances. Mr. Henry will be accompanied by Mrs. L. N. Haggood. The disappointment is great to the committee in not being able to secure the film stars as planned.

RENTS COST MONEY BETTER BUY

It is like this: the time slips away, rent day is never far off, the money goes and what have you at the end of the chapter? Not a piano—that's sure. A renting piano will eat its head off and like a squid icumsque it will actually swallow itself if you keep it rented. We like to rent pianos and do, but it is poor economy for you. You pay \$3 to \$4 and moving. But buy and you pay \$6 or a little more and soon it is yours. Interest? Yes, a trifle but not one-fourth a low rental. Come to the Big Drive and talk it over with Salyer.

We Have in Stock These Few Used Cars at Real Prices:

If you are in the market for a used car it would be worth your while to investigate and look them over. Make us your own proposition.

1 4-cylinder Studebaker speedster or racing type with high tension Bosch magneto. All new tires, in A-1 mechanical condition. Will do about 65 or 70 miles. This is a real buy at \$275.

1 1914 4-cylinder 5-passenger Michigan with good rubber upholstery like new, this car has had very little use and is an exceptionally good buy for touring and heavy work. Price \$400.00.

4-cylinder Studebaker Touring Car, new top, 5 excellent tires, repainted, fully equipped and in good mechanical condition. Price, \$725.00

1 6-cylinder, 7-passenger Studebaker with new tires, accessories, etc. Price, \$900.00

1 50 H. P. 6-cyl. Mitchell, 5 Pass. Touring Car, self starter. In fine mechanical condition. Price, \$300.00

Dr. and Mrs. H. V. Brown motored to Pasadena on Tuesday for the reception given to the Worthy Grand Matron of Eastern Star. Mrs. Ivy Crane Shelhamer of the Southland chapter at Pasadena.

Mrs. W. A. Gibson, of 718 West Ninth street, left on Sunday for Chicago, where she was called by the extreme illness of her aunt, Mrs. Mills.

Tonight is "Fathers' Night" at the Central avenue school. The meeting will be open at 8 o'clock and Mr. Harry Howe, of the G. U. H. S. will be the speaker of the evening. All are invited.

Miss Louise Fambrough, daughter of Mr. and Mrs. P. J. Fambrough, of 1553 Oak street is again in High School after an absence of several weeks while she was quarantined with scarlet fever. The quarantine was lifted on Tuesday.

Mr. and Mrs. C. H. DuBois, parents of Mrs. A. M. Beamon, who have been living at Long Beach, have been forced to return to Arizona on account of Mr. DuBois' health, much to the regret of their many friends in Southern California.

Mrs. R. D. Goss, 708 West Fifth street, entertained with a dinner on Monday evening in honor of Mrs. Walter Johnson of Windom, Wis. The guests were, besides Mrs. Johnson and her son, Charles, Mr. and Mrs. S. H. Dickman and Mr. C. A. Baxter.

Mrs. Ellen T. Early of 216 Blanche avenue, has spent several days within the past week with friends in Los Angeles. On Thursday she was the guest of Mrs. Frackelton at her home on Gramercy Place, and on Wednesday Mrs. Early, with her daughter, Mrs. J. J. Burke, spent the day at the home of Mrs. Hamilton on Flower street.

Mrs. L. A. Baker of Webb City, Missouri, who arrived in Glendale a few days ago and is stopping at the Glendale Sanitarium with a friend, Mrs. W. Pope, from Loma Linda, is so well pleased with the climate and surroundings here that she plans to make her home here for the winter and hopes to be able to locate here permanently.

Mrs. S. J. Spaulding, of 121 West Park avenue, Tropico, entertained with a luncheon on Thursday in honor of her two cousins, Mrs. Olin J. Sweet of Des Moines, Ia., who expects to return to her home on Sunday after about six weeks spent in Los Angeles and vicinity, and Mrs. Olyn Heming, from Colorado. Mrs. B. Bonebreak, also of Des Moines, who has accompanied Mrs. Sweet on her Southern California tour and will return with her was one of the guests, and also Mrs. Victor A. Rossback and Mrs. J. H. Malin, both of Hollywood.

H. E. Betz, of 124 North Kenwood, and Charles Bell, of 128 North Kenwood, returned on Thursday evening after a two days' hunting trip in the country near Hemet. The hunters brought back enough quail, dove and rabbits to postpone meatless days in several homes for the remainder of the week at any rate.

Mrs. J. A. Jenkins, of 1315 Campbell street, entertained the officers of the Angel City hive No. 970 of the L. O. T. M. of Los Angeles, with a cafeteria luncheon. There were fourteen guests. The house was lovely with decorations of yellow chrysanthemums and beautiful yellow Sunburst roses from Mrs. Jenkins' own garden. The entire afternoon was delightfully spent with music, a number of talented musicians being present.

The Red Cross is glad to announce that at last the shortage of yarn has been relieved by a shipment received from the Pacific Division headquarters at San Francisco of 441 pounds. This yarn was purchased at a great reduction by buying through the Red Cross organization, being obtained for \$2.10 a pound whereas the ordinary price at present is from \$3.50 to \$4.00. This yarn will be ready for distribution at headquarters on Monday.

Mrs. J. E. Rockhold, of 1430 Burchett street, who has been at Long Island all the fall with her husband, Lieut. Rockhold, and her son, Howard, who left Camp Mills on October 18th with the California Engineers, has suffered a severe nervous breakdown followed by pneumonia. For the past six weeks Mrs. Rockhold has been in a sanitarium at Yonkers, N. Y., but has now improved to the point where she hopes to be able to return to Glendale by the Christmas holidays.

Tomorrow is the day for the Red Cross collection of old newspapers, boxes and other junk which are packed at 912 Brand boulevard. Those who have newspapers or magazines or other discarded commodities which can be made useful in this way and who have not already put their names on the list are requested to phone them in to Red Cross headquarters, where someone is always in attendance from 9:30 until 5 o'clock. Boys and girls willing to give their services to the task of collecting these supplies will find the offer of their help much appreciated.

DOUBLE BIRTHDAY PARTY

Mrs. Walter Stamps entertained on Thursday afternoon at her home 1304 Lomita avenue, with a childrens' party in honor of the birthdays of her two little daughters, Doris, who is six, and Barbara, whose fourth birthday was a short time ago. Eighteen small persons hugely enjoyed themselves throughout the whole delightful afternoon. Games were played out on the lawn at which there was much merriment and later a delicious birthday supper was served at two tables. The little hostess of six presiding at a table laid for twelve, while the six wee tots with four-year-old Barbara in the place of honor, had a table all to themselves. Each table held a lovely birthday cake with an appropriate number of candles. A large bisque Kewpie doll decorated with a fetching bow of tulle graced the larger table and the little guests found a cunning "Dumpy Doll" coyly posed beside each plate. Those present besides the two little hostesses were: Emily, Adelaide, Crosby and Mary Jane Gillan, Tirzah and Arthur Dudley, Georgia and Dorothy Young, Walter Cash, Edward Daniels, Dorothy and Frances July, Phila Bartow, Ernestine Kimmel, Curtis and Phyllis McFadden, Margaret Brown and Charles Ellis.

COLLECTING OLD PAPERS

The boys will be out collecting old papers for the salvage fund of the Glendale Chapter of the American Red Cross, Saturday. Will contributors of old newspapers please have the papers tied in bundles ready for the boys?

MISS MAYBELL DOUGLAS.

COMBINE EDUCATION WITH FUN

After all there is nothing like a good piano in the home for children. Amusement is all very well but is not education even better? Children should be learning music as well as listening. They might listen their heads off and never produce music. They never will play with their ears. They might with their fingers if you give them a chance.

Why not a piano right now? Down at the Big Drive they are down to ridiculous prices with a little down and a little a month. Sale opens on Saturday morning. Get there.

LIGHT LUNCHEONS AND FOOD SALE SATURDAY

Don't forget to patronize the Red Cross food sale tomorrow at the headquarters, next door to postoffice. Light lunches served from 11 to 2. Food good and prices moderate.

A building is destroyed by fire in the United States every two minutes.

BARGAIN SHOWS UP, NAIL IT

Been to an auction some time haven't you? Saw an article going dirt cheap that you wanted and had not the courage to speak for in time. Would have paid a nice bonus to get it too. Am I right? Now you've always wanted a piano and the promises you've made the children were meant, but you always put it off—manana.

Now you'll find auction prices on at the Big Drive. Will you go to the Glendale Music Store, see them, pick one out and speak up. No harm to look anyhow. Open evenings.

PUBLIC NOTICE.

Notice is hereby given that the board of referees for the opening and widening of 8th street, from Glendale avenue to Verdugo road will meet at the City Hall, Glendale, Tuesday, November 27, 1917, at 1 p. m.

All persons wishing to produce evidence before the board concerning the property to be condemned are invited to appear on above date and introduce such evidence.

BOARD OF REFEREES.

7113 By JOHN COLE.

CARD OF THANKS

We wish to thank our friends for their kindness through the illness and death of our mother, Mrs. Lucy Clark Dixon, and for the many beautiful flowers received through this sad time.

MR. AND MRS. J. C. BARDSLEY.

JUST A LITTLE DOWN LITTLE A MONTH

Of course you want to pay all you can afford down on a piano. Whatever that is, we'll try to put up with it. The balance is as low as \$6 per month—almost like rent. Why wait? Come while the prices are cut in two—almost in the middle. The little price and the little payments make such a combination as you cannot afford to ignore. Even if you had thought of waiting a year or two our offerings will tempt you to buy now. You tried waiting. Did it work? It did not. Cut the waiting. Let some one else do that but as for you send a piano home tomorrow. Machine waits to bring you and take you to the Glendale Music Co.

Fire Insurance

Don't pay any advance on fire insurance. Come to the H. L. Miller Co., 409 Brand blvd. Both phones. 50tf

DO YOU WANT TO PAY MORE?

—The supply of money is holding out pretty well. I have several amounts ranging from \$500 to \$5000 that I can still loan at former low rates. Don't wait until the next Liberty Loan to borrow your money unless you have a liking for higher interest rates.

J. F. LILLY

IF IT'S A PIANO WE SAY YES

If it is a piano and a good one and a low price and on terms to suit—Salver is your man. Ever since the town of Glendale started he has sold more of less of its best citizens their pianos. Such people as Spencer Robinson, Rev. Edmonds, Dr. Kate Black, Dr. Jessie Russell, John Logan and scores of our best people. Ask them about Salver. Some of these customers had their pianos built to order in the Salver factory. If it is a piano haven't we the right to say yes? YES! See Salver tomorrow.

HOME PICKLING OF RIPE OLIVES

By FREDERICK BIOLETTI
 November 1917.

These directions are suitable for preparing small quantities for home use.

1. Gather the fruit carefully by hand, without bruising. It is best when cherry red or just turned black. When green, it lacks flavor and oil and when over-ripe, it is too soft and the skin is tough. Soft shrivelled, or frost-bitten olives are unsuited for pickling.

2. Place the olives in an open vessel of glass or earthenware, or a

wooden bucket or barrel. Metal vessels should not be used. A wooden cover to fit loosely inside the vessel on top of the olives will prevent the spotting of any olives which float.

3. Make a lye solution of three ounces (three tablespoonfuls) of soda lye to a gallon of water or approximately one pound to five gallons.

4. Cover the olives with this solution, keeping them submerged by means of the wooden cover. Stir and examine the olives every hour. As soon as the skin changes color, cut an olive occasionally to note by the discoloration of the flesh how far the lye has penetrated.

5. When the lye has gone through the skin but only a very short way into the flesh, pour it off into another vessel. This will be in from three to eight hours, according to the olives and the temperature.

6. Expose the olives to the air until the color is darkened and equalized. They should be stirred frequently while exposed. To make them all black requires from one to three days or more, but the flavor is better if not exposed too long.

7. When the desired color is attained, replace the old lye by fresh lye and leave with frequent stirring until it has penetrated to the pit. It must reach the pit or the olives will be bitter, but if left long after reaching the pit, the flesh will be softened and the color bleached.

8. Replace the lye with water which should be changed twice daily, until all taste of lye is removed—about five to seven days.

9. Then place for twenty-four hours in a brine of five ounces (five tablespoonfuls) of salt to a gallon of water.

10. Then heat olives and brine to boiling and pour hot into scalded jars or cans. Cover and seal and place in a pot or washboiler sterilized and heat for one hour.

N. B.—Certain olives, such as Manzanillo, darken easily when aerated even if they are somewhat under-ripe. Others, such as Mission, will not darken if under-ripe unless exposed for a very long time. Over-exposure injures the flavor. It is better to be satisfied with imperfect color than defective flavor.

Before sterilizing under "10" the brine may be poured out of the jars or cans which are then sealed immediately while still hot and sterilized as above. They keep quite as well without the brine.

SAFETY FIRST

Jones—Say! When a fellow calls on a girl, should he leave his hat in the hall or take it into the parlor?

Mudge—Well, if the girl is living in a boarding house, and the hat is worth anything, I think he had better hang on to it.—Ex.

SCREW UP YOUR COURAGE AND SAIL IN

Don't forget. Tomorrow morning at 9 o'clock the Big Piano Drive is on. Are you going to sail in and do business? If not why not? Of course you can afford it. Others do; a little down and a little a month. Say if you ever do go broke it will not be the piano that breaks you. But as it is, you are always broke—musically. Why have you no piano? You had some money all along. Then what was lacking? Ah, it was the courage to sail in, while the sailing was good. So screw up your courage—that's half of it. Come down and get a piano. That's the other half, and as long as the children live and may be after, they'll thank you for it. Salver is easy to deal with—try him. Phone for our machine day or night.

TOO PERSONAL

Mrs. Looksyoung—For mercy sake, don't put me near old Millluns. Hostess—Why not? He's awfully interesting.

Mrs. Looksyoung—I know it, but I never sit near him at dinner but that he blurts out something like: "You remember back in the old Civil war days."—Ex.

PURELY PLATONIC

"Drink to me only with thine eyes" said the young man.

"And I will pledge with mine," responded the girl.

There was nothing romantic about it. They had stopped their car at a brookside and in the absence of other drinking cups were using their automobile goggles.—The Lamb.

CURBING PROFITEERS

The policy of refusing to supply sugar and other staple groceries to grocers that have been profiteering during the shortage may compel you to go further than the corner for your household supplies, but you can take some pleasure in the added effort if you feel that the profiteer is getting what is coming to him.—Indianapolis News.

WEATHER FORECAST—Fair to-night and Saturday. Westerly winds.

Platt's Tire Store

429 Brand Blvd.
 Glendale, Cal.

Thanksgiving

for Savage goodness. Goodness—highest quality—is the foundation of Savage mileage. As you spin along, miles and miles beyond the limit you have found in other tires and tubes, you will join with the thousands of members of the "heap big" Savage "tribe" in thanking goodness—Savage goodness—every day in the year.

SAVAGE TIRES

Heap big mileage!
